Re: Christopher George: 18-12824

Stephanie,

My office represents Christopher George for his Chapter 13 Bankruptcy proceedings. His case is active and there is an automatic stay in the case. Among other things the automatic stay prohibits, by law any collection activities or lawsuits without permission of the Bankruptcy Court. If you have retained an attorney please forward this letter to him. I have enclosed form 3091 for your records.

Regards,

William Waldner
